TESCOS 40th Jubilee in 2013

Welcome to TESCOS

The English Speaking Club of Schaffhausen (TESCOS) was founded in 1973. TESCOS is a social club where people of all ages and nationalities get together to speak English with one another. In addition to speaking English, the club is also interested in learning about the Schaffhausen area and meeting people from different countries and cultures. To this purpose we organise monthly fun events and activities. At present the club has about 120 members. New members are welcome any time. Our New Members page gives you all the information you need. <http://www.tescos.ch/index.html>

Dear TESCOS Member,

TESCOS will be celebrating its 40th jubilee on Sunday, 9 June 2013. A fantastic programme is planned for the celebration, which will be held at the Unterhof restaurant in Diessenhofen. The old stone castle or fortress has a wonderful atmosphere and ambiance that will truly add to the experience. There are several ways to get to the restaurant. By train: the restaurant is 5-10 minutes' walk from the Diessenhofen train station. By car: parking available throughout the village. By boat: we hope most folks will join us on a boat ride from Schaffhausen to Diessenhofen and back. A group will be departing from the Schaffhausen Schiffslände at 11:00am and will arrive at Diessenhofen directly in front of the restaurant at approximately 12:00. Please allow time to purchase your tickets at the Schiffslände. The celebrations at the Unterhof will begin at 12:00 with an opéra in the "Burghof" - an outdoor courtyard surrounded by the castle walls. A club picture will be taken during the opéra. After the opéra, we will move into the "Ritter Saal" for a fabulous 3-course meal beginning with a starter of a fresh mixed seasonal salad. For the main course, members and guests will have a choice of either US-Roast beef with sauce Béarnaise, potato-gratin and seasonal vegetables or Mediterranean monk fish and sushi tuna on ratatouille with young vegetables, lemon and chili or warm pastry hearts filled with mushroom ragout and chives sauce accompanied by green and white asparagus with sauce Hollandaise for vegetarians. The meal will conclude with a dessert of mixed seasonal berry "Lasagna" on the outside terrace.

There will of course be music and entertainment - including our very own Annette Zehnder.

TESCOS is heavily subsidising the event for its members. Charge for the event including opéra, meal, music and entertainment is CHF 50.- for members and CHF 70.- for non-members. Members and guests are responsible for the cost of transportation to and from Diessenhofen and drinks during the meal. Dress code: smart casual.

When registering for the celebration, please indicate your menu selection viz., Roast beef or fish or vegetarian. Registration and menu selection must be made by May 31st as the restaurant must know in advance the quantities to order. Registration can be made by contacting Michael Frommeiser at 052-649-4913 or by email at alpinechemie@hotmail.com. Please use the enclosed pay-in slip when paying for the event. Your promptness and returning your menu selection and payment is greatly appreciated.

The committee has worked hard to provide a wonderful afternoon celebration complete with a fabulous menu, music and entertainment. We hope to see as many members, both past and present and their friends at the event.

Welcome speech of the president:

Welcome to TESCOM 40 years anniversary/jubilee/birthday - call it what you like. And of course a special welcome to visitors to this event - especially those from far afield viz., Estelle De Quervain from South Africa, not only a friend of Victor and Millie, but also of Doreen and mine. Then from even further afield Gill, Anthea and David Moore from Australia, who are friends of Bob and Sue Dean. Welcome, also to Yan Zhou, our newest TESCOM member who is from China. I'm certain you are all going to enjoy yourselves today.

By the way, this is not a speech - it's just me speaking.

The committee gave this event a lot of thought and we sincerely hope you will enjoy everything about it: the various backdrops of the Unterhof including

- the courtyard, where we had our aperitif
- the knights hall where we are at the moment, and
- excellent views from the terrace or the tower, plus the entertainment we have lined up for you, including albums of photos from bygone days and a slide show also of the past, prepared for us by Rolf Thum. These are at the entrance end of the hall for all to see.

There is a small change to the programme in that we shall be serving dessert here in the hall - there simply isn't enough space for that on the terrace, though you could take a coffee there later if you wish.

Also please note that the boat will be leaving in the evening at 17.15h - about a quarter of an hour earlier than scheduled, because of the high water situation.

There remains little for me to say for the moment except to wish you all a most enjoyable meal.

Please don't forget to place the coloured ticket in front of you for the main course - if you want to get what you ordered that is.

**En Guete, Bon Appetit, Buon appetito, Guten Appetit, Afiyet Olsun, Qingmànyòng,
Enjoy!**
